

FOR THESE KIDS, THE AJARA PROJECT IS THE ONLY HOPE FOR A FUTURE.

**PLEASE MAKE A DIFFERENCE!
WE NEED YOUR HELP!!**

Our mission is to empower the people to break the vicious circle of poverty and helplessness. Our goal is to build a resource center that will provide education, training programs, and preventive care in Ajara villages.

We need volunteers to help us with:

- Fundraising Dinners
- Book Drives
- Clothing Drives
- Computers
- Benefit Concerts / Parties
- Potential Donors
- School Programs (to connect us with schools)

We would be happy to provide our volunteers with Ajara videos and speak at their fundraising events. We shall also help cook delicious African food for their fundraiser.

We are open to your suggestions. Please contact our director with any questions or fundraising ideas you might have: **(510) 684-9711**; or e-mail: **info@ajaraproject.org**
